Kiki Maree (she/her) is an inclusive Sex Educator specialising in Women's Sexuality. She has a PgD in Sexology and is the CEO of the Yonilicious Academy for Women's Sexuality, where she offers high quality, certifiable trainings. Kiki is a trauma-informed therapist and educator, and is known for her holistic and vastly knowledgeable approach to sex education.

Kiki has been passionate about women's wisdom teachings and female sexuality from a very young age. She held yoni viewings with her classmates at 7 years old, and girls circles at 12 years old. She also made self-help booklets for her teen friends struggling with the hormonal roller coaster ride of puberty when she was 14 years old.

Kiki's main passions now are teaching her students, empowering women, and helping couples.

## Rachael White

Love, Sex, and  
Relationships Coach

Doing my yoni massage practitioner training with Kiki was one of the best decisions I could have made.

I felt held and support along the whole journey, the support didn't finish when the course did either. She's helped and gently guided me as I started to put my work out into the world.

The way she's put this body of work together made it super easy to digest, I loved every part of it. Not only did it help me to become a yoni massage practitioner, it helped me have a deeper understanding of my own sexuality.

Her wisdom and transmission is like no other, it's very obvious she was born to do this work.

Doing this training with Kiki has given me the skills and confidence to move forward in a direction that I feel so passionate about.

With the knowledge I took away from this I now not only offer yoni massage but also workshops for women in the realm of sexuality.

Kiki, my teacher, my sister, thank you and I love you xx

## Chloe Kamateros

Sex Coach

Kiki has been amazing to work with. She's guided me through the program with ease and support.

She was always available to answer any of my questions no matter how small they were and she would also recommend great resources to help me. The course itself was deeply informative

and inclusive, I enjoyed the structure of the course and the 'go at your own pace' style.

Kiki is so knowledgeable in all things sex and sexuality and she really inspired me on my own journey of self discovery as I worked through the program.

Towards the end Kiki made sure to help me work towards setting up my business and encouraged me to step into my passions and strengths when it came to deciding what direction to go in.

Overall I'm so grateful for having done this course and also for Kiki and her nurturing energy through the whole process. I feel super ready to get out into the world, spread my life and support people on their sexual journeys.

# Demography

Kiki feels the most alive when she is sharing on sexuality as it pertains to cisgendered women, as this is her lived experience and where she can share the most authentically from.

However, Kiki also loves to share on women’s sexuality with all genders as it is such an under-represented and misunderstood aspect of sexuality. She also loves to work with gender fluid and transgender people who want to explore the feminine archetypes deeper.
